## Independent Accountant's Compilation Report

To the Board of Director's of  
Lower Algiers Community Development Association

Management is responsible for the accompanying financial statements of Lower Algiers Community Development Association, which comprise the statement of financial position as of June 30, 2022, and the related statement of activities and cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America. I have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. I did not audit or review the financial statements nor was I required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, I do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit substantially all of the disclosures required by generally accepted accounting principles. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the organization's financial position, changes in net assets and cash flows. Accordingly, these financial statements are not designed for those who are not informed about such matters.

The supplementary information contained on pages 5 and 6 is presented for purposes of additional analysis and is not a required part of the basic financial statements. This information is the representation of management. The information was subject to my compilation engagement, however, I have not audited or reviewed the supplementary information and, accordingly, do not express an opinion, a conclusion, nor provide any form of assurance on such supplementary information
